Of the funds appropriated, \$300,000 shall be allocated to the Education Oversight Committee to conduct an annual evaluation of the South Carolina Child Development Education Pilot Program and to issue findings in a report to the General Assembly by March first of each year. To aid in this evaluation, the Education Oversight Committee shall determine the data necessary and both public and private providers are required to submit the necessary data as a condition of continued participation in and funding of the program. This data shall include developmentally appropriate measures of student progress. Additionally, the Department of Education shall issue a unique student identifier for each child receiving services from a private provider. The Department of Education shall be responsible for the collection and maintenance of data on the public state funded full day and half-day

1A.2. (SDE-EIA: Full-Day 4K) Eligible students residing in any school district or attending any charter school authorized by the South Carolina Public Charter School District or an approved institution of higher

and federal funds to supplement the amount expended for materials and equipment. Providers receiving equipment funding are expected to participate in the program and provide hiogram
